

UPDATE IN PULMONOLOGY and INTERVENTIONAL BRONCHOSCOPY

**With the cooperation of
the Respiratory Society of Serbia- Interventional Pulmonology Group
and
the European Association for Bronchology and Interventional Pulmonology (EABIP)**

Venue: Belgrade

Date: September 23-25, 2016

Number of attendees in lecture sessions: 150

Number of attendees in hands-on sessions: 50

Course directors: Semra Bilaceroglu, Dragana Jovanović, Spasoje Popević

Faculty

Dragana Jovanović
Semra Bilaceroglu (Turkey)
Nikos Koufos (Greece)
Antoni Rosell (Spain)
Lina Zuccatosta (Italy)
Aleš Rožman (Slovenia)
Tanja Čufer (Slovenia)
Izidor Kern (Slovenia)
Marioara Simon (Romania)
Mir Alireza Hoda (Austria)
Spasoje Popević
Milan Grujić
Živka Uskoković-Stefanović
Bojan Zarić
Violeta Vučinić-Mihailović
Branislava Milenković
Evica Budišin
Živka Eri
Predrag Minić
Nevena Sečen
Milan Rančić
Davorin Radosavljević
Sanja Dimić-Janjić

Case presenters:

Dragan Stanojević, Evica Budišin, Goran Stojanović, Spasoje Popević, Branislav Ilić,
Živka Uskoković-Stefanović, Jelena Spasić, Snežana Djordjević, Dejan Sofronić, Svetlana Jovanović, Marina Cekić

Meeting venues:

- **Lectures -**

Hotel "88 Rooms"

Address: Takovska 49, 11000 Belgrade, Serbia

- **Hands-on Sessions -**

Department of Bronchoscopy and Interventional Pulmonology, University Hospital of Pulmonology, Clinical Center of Serbia

Address: Koste Todorovića 26/20, 11000 Belgrade, Serbia

September 23, 2016, Friday

10:30-12:00 Registration

11:00-12:00 ROSE Workshop- Izidor Kern, Živka Eri

12:00-12:10 Opening

Dragana Jovanovic, President of the Respiratory Society of Serbia

Semra Bilaceroglu, President of the EABIP

Update in Pulmonology 2016

A potpourri of lung cancer, COPD and sarcoidosis

Chairs- Semra Bilaceroglu, Dragana Jovanović

12:10-12:35 Premalignant lesions in small bronchobiopsies- Živka Eri

12:35-13:00 Paradigm shift in lung cancer pathology- Izidor Kern

13:00-13:20 TNM classification changes and impact on staging of lung cancer- Dragana Jovanović

13:20-13:40 COPD-emerging treatments- Branislava Milenković

13:40-14:00 Sarcoidosis today- Violeta Vučinić-Mihailović

14.00-14.30 Discussion

14:30-15:30 Lunch

Lung transplantation- Panel discussion with interactive case presentations

Panelists: Mir Alireza Hoda, Branislava Milenković, Predrag Minić, M. Rančić

15:30-15:50 Lung transplantation- to whom, when, how?- M. Alireza Hoda

15:50-16:20 Case presentation with discussion- P. Minić, D. Jovanović, B. Milenković, S. Dimić, M. Rančić

16:20-16:40 Lung cancer and transplantation- M. Alireza Hoda

16.40-16.50 Discussion

Interactive session-Bronchoscopic case presentations

Chairs- Semra Bilaceroglu, Aleš Rožman, Spasoje Popević

16:50-18:20 Case presentations-

Živka Uskoković-Stefanović, Branislav Ilić, Dragan Stanojević, Evica Budišin,

Goran Stojanović, Spasoje Popević, Dejan Sofronić, Svetlana Jovanović

19:30 Faculty dinner

September 24, 2016, Saturday

Update in Interventional Bronchoscopy 2016

INTERVENTIONAL BRONCHOSCOPY IN DIAGNOSIS

Chairs- Semra Bilaceroglu, Milan Grujić

09:15-09:35 Rationale in interventional bronchoscopy- Semra Bilaceroglu

09:35-09:55 Conventional TBNA-out of fashion?- Milan Grujić

09:55-10:15 EBUS-TBNA + EUS-B-FNA approach in diagnosis and staging- Semra Bilaceroglu

10:15-10:35 ROSE- by the pulmonologist ?- Lina Zuccatosta

10:35-10:45 Discussion

10:45-11:15 Coffee break

Chairs- Antoni Rosell, Lina Zuccatosta, Bojan Zarić

11:15-11:35 Solitary pulmonary nodule- optimal management- Bojan Zarić

11:35-11:55 Navigational bronchoscopy- indications, technique- Lina Zuccatosta

11:55-12:15 Cryobiopsy- better than conventional transbronchial biopsy ?- Antoni Rosell

12:15-12:25 Bronchoscopy-common pitfalls- Živka Uskoković-Stefanović

12:25-12:35 Discussion

12:35-13:35 Lunch

INTERVENTIONAL BRONCHOSCOPY IN TREATMENT

Chairs: Nikos Koufos, Spasoje Popević, Aleš Rožman

13:35-13:55 Successful endobronchial debulking- predictive factors- Spasoje Popević

13:55-14:15 Endoscopic lung volume reduction- update- Aleš Rožman

14:15-14:35 Hemoptysis- bronchoscopic management- Spasoje Popević

14:35-14:50 Discussion

14:50-15:15 Coffee break

Chairs: Marioara Simon, Živka Uskoković-Stefanović, Evica Budišin

15:15-15:35 Is there an optimal airway stent?- Nikos Koufos

15:35-15:55 Hot bronchoscopic treatments- Marioara Simon

15:55-16:15 Cold bronchoscopic treatments- Antoni Rosell

16:15-16:25 Discussion

September 25, 2016, Sunday

09:00-13:40- HANDS-ON SESSION

Group arrangement-Eight groups and stations, 6-7 people/group, 35min/station

1. **Conventional TBNA-** Milan Grujić
2. **EBUS-TBNA-** Semra Bilaceroglu, Nikos Koufos
3. **Radial-probe EBUS-** Bojan Zarić
4. **Navigational bronchoscopy-** Lina Zuccatosta
5. **Endobronchial lung volume reduction (valve, coil)-** Aleš Rožman
6. **Cryobiopsy and cryotherapy-** Živka Uskoković-Stefanović
7. **Electrocauterization, argon plasma coagulation-** Marioara Simon
8. **Rigid bronchoscopy and stenting-** Spasoje Popević, Antoni Rosell

Lung cancer management- Panel discussion with interactive case presentations

Chairs:Tanja Ćufer, Nevena Sečen, Dragana Jovanović, Davorin Radosavljević

12:00-12:20 Locally advanced NSCLC- Dragana Jovanović

12:20-13:00 Systemic treatment of lung cancer- Tanja Ćufer

13:00-13:20 Update in immunotherapy- Results of recent studies-Davorin Radosavljević

13:20-13:40 Small cell lung cancer- Nevena Sečen

13:40-14:20 Interactive case presentations- Jelena Spasić, Snežana Djordjević, M. Cekić

14:20-14:30 Discussion

14:30-15:30- Lunch

15:30-16:00 - Evaluation test

16:00-16:30 – Closing and certificates
