

Pneumo Update Europe 2017

4th European Update Congress in Pneumology
Vienna, 9 – 10 June, 2016

4th Pneumo Update Europe in Vienna - Save your seat!

Special offer
for you as a
member!

Dear Members,

Are you interested in the latest developments in Pneumology?

Following the previous successful years, **the 4th Pneumo Update Europe** will take place June 9-10, 2017 in Vienna.

What to expect:

- 14 European experts will summarize all **relevant international developments** from the past year
- 2 interactive days to exchange ideas with speakers and colleagues
- Practical Take-Home Messages to implement in your daily work – **100% unbiased**
- A complete Compendium in print or stick form for you to review throughout the year!

This 2-day event is:

- led by an expert scientific board
- practical and clinically valuable for your daily work
- interactive and unbiased

med update europe has a **special offer** for you as a member of the EABIP: You will receive a reduction of **100 € off of the registration fee!** The registration fee includes a complete take-home compendium of all lectures, catering during the congress and lots of opportunities to interact with colleagues over two days for only 400 €.

Submit **an ePoster** and you will save **200 € more!**

So, make use of this great opportunity and register immediately!
